

Fulbrook Safeguarding Newsletter

For Parents and Carers

December 2022

Welcome to this term's Fulbrook Safeguarding Newsletter for Parents and Carers, we hope you find it useful.

Our aim is to give you as much information as we can in order to help you keep not only your child safe but any child safe – **as safeguarding children is everyone's responsibility**. We will endeavour to signpost you to the latest guidance and resources by attaching relevant documents/links below to make sure you have the tools to help you.

With the festive period upon us we wanted to take this opportunity to share with you with some useful resources to support the safety of your children online. Often at this time of year, children will be gifted new devices, games consoles and technology. This [guide](#) provides a step by step guide to help you to set up the right controls and privacy settings on the networks, gadgets, apps and sites your children may access, to give them a safer online experience.

We are pleased to announce that Fulbrook has successfully completed a comprehensive online safety training programme demonstrating its commitment to keeping children and young people safe online.

We have received a [National Online Safety Certified School Accreditation](#) for the whole school community approach to protecting children in the online world.

This time of year, is often a very happy time for most children and families, however it is not the case for all children. It is everyone's responsibility to safeguard children and to this end we have listed the contact details for our local authorities safeguarding hubs. Should you have any concerns during the Christmas break **please** report them:

Access and Referral Central Bedfordshire: 0300 300 8585

Milton Keynes MASH (Multi Agency Safeguarding Hub): 01908 253169

Please feel free to contact us should you require any specific information on topics that you feel would be helpful to include in future editions of the newsletter. You can email us directly using safeguarding@fulbrook.school with your suggestions.

Alternatively, should you have any concerns of a safeguarding nature for your child or another child please use the email address above. This email is monitored throughout the school year and holiday periods.

Fulbrook Safeguarding Team wish you all a safe and happy Christmas and New Year!
